OUR FIRM

Alter Domus is a provider of choice for outsourced administration services for alternative investments funds, private equity and real estate firms, multinationals and private investors, mezzanine and hedge funds.
Our offerings enable our clients, among them some of the most prominent funds, private equity and real estate firms and many multinational corporations to take advantage of the unique tax and corporate structures in each of the jurisdictions in which we operate. Mainstream and specialized investment funds can in addition benefit from our expertise in the compilation of financial information.

"an international provider of choice"

Alter Domus intends to become a real partner for our clients, a partner who will take charge of all of your essential but distracting management and administration activities at a local level, permitting you to concentrate on your core business.

To this end, we are constantly improving our products and services: technological advances and international expansion are both parts of this goal.

Thanks to our staff of dedicated people we are able to offer you the highest level of fully-integrated services. Our constant focus on meeting our customers' evolving needs has allowed us to emerge as an international provider of choice in fund administration for alternative investment funds and corporate management services.
With more than twenty years' experience, we are ready to assist you in obtaining optimal results from the funds, investment vehicles and corporate structures you establish.

WHAT WE BELIEVE

" human capital is our primary strength "

" focus on meeting our customers' evolving needs "

For us to succeed, it is essential that our people share common values and goals. Our underlying beliefs strongly influence how we conduct our business and the way we approach your unique issues. We deeply believe that human capital is our primary strength, and invest in our people. Each employee is mentored and given the opportunity to develop their technical knowledge and practical skills. Our staff is committed and focused on our customers' needs.

We proudly offer equal rights to all our employees, and do the utmost to encourage a balance between career development and private life. The diversity and dedication of our teams is one of the pillars of our firm.

We are dedicated to being technological leaders in our field in order to provide you with cutting edge solutions tailored to your business needs. Using technology we are able to streamline the exchange of information, thereby increasing efficiency and ease of use.

Alter Domus is a global company. The purpose of our expanding international network is to be, as much as possible, present in the jurisdictions in which our clients have need of us.

We believe strongly in our corporate social responsibility to both people and the environment.

WHAT WE OFFER YOU

" the quality of our services is, for us, of the highest importance "
