WHY SPAIN ?

Spain is the second largest country within Europe and is a key place to invest, not only for its domestic market but also for the possibility of operating with third countries within Europe, Middle East and Africa (EMEA), due to its privileged geo-strategic position within the European Union. Spain has a strong focus on the services sector, a high-developed infrastructure and the most proactive workforce, which makes the country a very attractive destination for a wide variation of industries. In addition, the country has become a center of innovation and offers investors the opportunity to invest in sectors such as Real Estate, Renewable Energy, Information Communication and Technology (ICT), Biotechnology, Aerospace and Automotive, in an appealing competitive environment.
