## ALTER DOMUS EXPANDS UK MANAGEMENT TEAM AND WELCOMES SPENCER WELLS AS COUNTRY EXECUTIVE

**Alter Domus**, the fully integrated provider of third-party middle office, fund and corporate services to alternative investment managers and lenders globally, is pleased to announce that it has appointed **Spencer Wells** to lead its UK office in London.

As Alter Domus completes its fifteen years, the expansion of our London office and appointment of Spencer is in line with the firm's strategy to continue to develop the UK as one of our key strategic locations in growing our business and developing our international client base.

In March 2018 we announced the completion of the Cortland Capital Markets Acquisition. As part of that transaction we welcomed new colleagues from the Cortland office in the UK into the premises of our UK office. This team provides business development and account management for European Debt Capital Market clients.

**Spencer Wells** is a welcome addition to the already thriving UK team and brings to the table over 27 years of experience in financial services. Spencer joined Alter Domus in January 2012 and his previous role was Head of the Channel Islands & Country Executive Jersey.

Spencer is responsible for driving the performance and growth of the UK business together with expanding new and existing client relationships in the region.

In addition to Spencer's appointment the UK Management team has been further strengthened by the recruitment of **Matthew Molton** as Head of Operations UK. Matthew has more than 13 years of experience in the financial sector. Prior to joining Alter Domus, Matthew was a Director at M&G Real Estate.

**Patrick McCullagh**, Head of sales EMEA, also based in our London office will continue to focus on assisting the UK to achieve its ambitious targets for growth

In testimony to the robust and growing transfer pricing business in the UK, **Karan Dutta** was recently promoted to Transfer Pricing Director. Karan is a specialist in Transfer Pricing, bringing 10 years of professional experience within this area. In addition, he has expertise in advance agreements with tax authorities (APAs and ATCAs), M&A due diligence support, transfer pricing policy planning and global compliance, interest rate and margin analyses amongst others.

When asked what he sees in store for Alter Domus' UK office Spencer commented: "The UK market is a key market for us and we are committed to developing an integrated platform for both local and international clients across multiple jurisdictions. I am excited about driving the business forward!"

"Alter Domus UK has a growing team of experienced and dedicated professionals and is able to provide a full suite of fund and corporate services to local and international clients. Furthermore the firm was granted a UK depositary licence in July 2014 by the UK Financial Conduct Authority (FCA) and we are able to provide full depositary services to private equity and real estate clients, including those investing in infrastructure and debt," said Spencer.
