Many leading international asset managers, lenders and asset owners choose Alter Domus as their partner for growth. Whether a stand-alone fund with limited investments, or a large multi-billion-dollar fund with complex investment streams across multiple jurisdictions, we understand your world. Vertical integration allows us to build dedicated teams to provide support and bespoke solutions across your entire value chain. By tapping into a talent pool of some 2,500 employees across more than 40 offices and desks, our expertise and cutting-edge technology combine to put you ahead of the game.

With an established professional focus on the private equity, infrastructure, real estate, and debt and capital markets sectors, we offer fund administration, corporate services, depositary services, transfer pricing, domiciliation and management company services. Our specific experience in the debt and capital markets sector allows us to provide specialist solutions such as loan administration, agency services, trade settlement and CLO manager services.
