

# NOTIFIED ALTERNATIVE INVESTMENT FUND

## MALTA

The fastest way yet to have an AIF operative on the market.

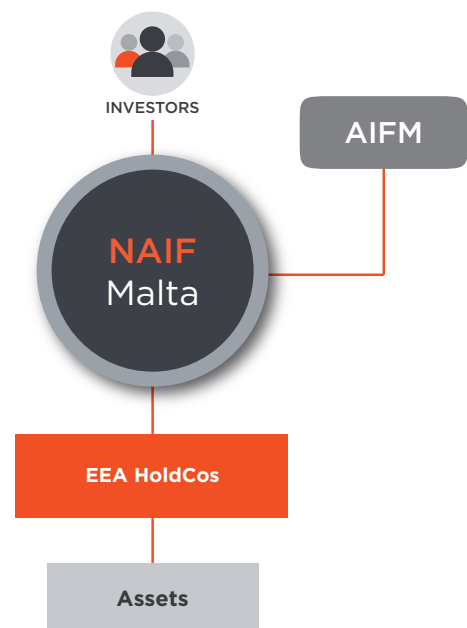

### NAIF

On the 11th February 2016 the Malta Financial Services Authority (MFSA) announced the launch of a new investment framework applicable for notification of Alternative Investment Funds - the "Notified AIFs" or NAIF.

The new approach will only be applicable to qualifying or professional investors and to any structures authorised by the Maltese law and shall be managed by a full-scope AIFM. The AIFM will assume full responsibility for the Notified AIF and for the fulfilment of the obligations of the Notified AIF. EU/EEA AIFMs may submit a notification to the MFSA for an AIF to be included on the List of Notified AIFs. Third country AIFMs will be able to submit a request for notification of an AIF once the country where these have been established has been granted passporting rights pursuant to the AIFMD.

The great benefit lies within the fact that new funds will be able to **come onto the market faster without the need to be authorised by the MFSA** and will not be subject to ongoing supervision. **Within 10 business days** from the date of filing of a complete notification pack, the MFSA will proceed to include the AIF in the List of Notified AIF and **the fund can start being operative**.
