

WEALTH ADMINISTRATION

Complete, integrated and personalised approach for Private Clients

The administration of private wealth frequently requires the understanding of multiple asset classes and international structures. In today's environment of increasing regulatory complexity, it can be a real challenge to monitor investment performance, manage ownership and sub-vehicles while also taking into account the continuously changing legal landscape in different countries.

With over 15 years of experience in the administration of investment vehicles for the biggest Private Equity and Real Estate players, Alter Domus offers to Private Clients a comprehensive and unique wealth administration solution, tailor-made to meet the specific needs of high-net-worth individuals. While continuing to administer your trusts, foundations and other vehicles in the same efficient way through strong governance, we also provide you with a unique comprehensible report, allowing you to extract all the core information at a glance.

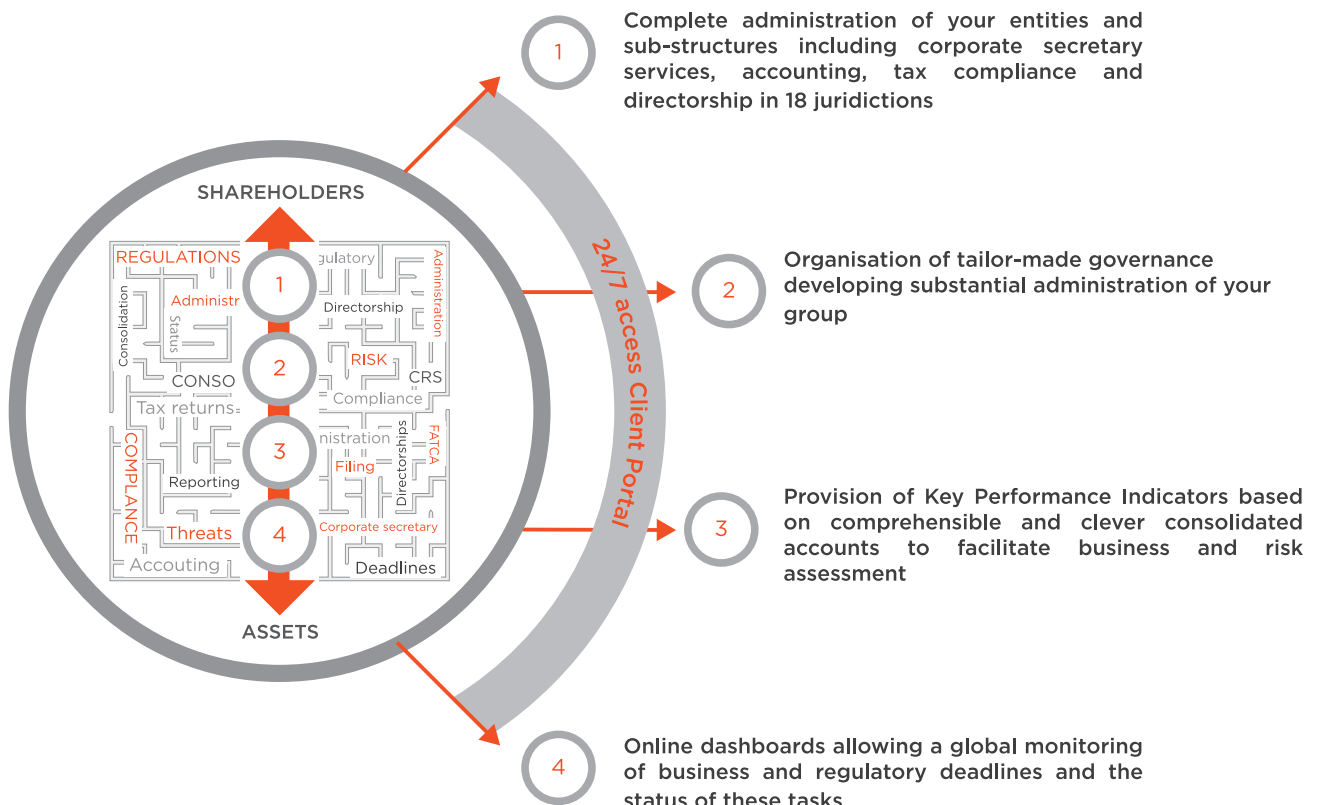

Our online platform, Alter Domus Connect, offers you a 24/7 access to a global dashboard which helps you monitor all of your business and regulatory deadlines with their status.

With Alter Domus' wealth administration solution, compliance, risk management and business assessment will stop being a source of worry to become an opportunity for more effective business.
