OBJECTIVES AND INVESTMENT POLICY

- **Investment Objective:** The Sub-Fund’s objective is to seek consistent medium to long-term capital growth by investing in UK equity securities, while having a low correlation between the portfolio of the Sub-Fund and the UK equity market. The philosophy of the Sub-Fund is to invest in shares of companies that exhibit balance sheet strength in relation to their market capitalization.
- **Investment Policy:** In order to achieve its objective, the Sub-Fund’s will construct a portfolio of (i) Equity and equity related securities of companies which are domiciled and/or listed on the London Stock Exchange and/or have their main economic activity in the United Kingdom; and (ii) Cash deposits and cash equivalents (money market instruments, money market undertakings for collective investment).

Except the geographical focus, the choice of investments will neither be limited by economic sector nor in terms of currencies in which investments will be denominated. However, depending on financial market conditions, a particular focus can be placed in a single economic sector and/or in a single currency.

On an ancillary basis, the Sub-Fund may invest in other eligible assets, such as (i) UCITS and/or eligible UCIs for up to 10% of its NAV, (ii) structured products, (iii) convertible bonds or reverse convertibles for up to 10% of its NAV and (iv) debt securities or issuers with credit rating of minimum investment grade and no distressed or defaulted issuers.

The Sub-Fund is actively managed in reference to the FTSE 100 and FTSE all gilts index. The Sub-Fund will generally invest in the securities

universe to which the benchmarks refer and may deviate to a significant extent. The Sub-Fund’s performance can be compared to this benchmark.

- **Redemption and Dealing:** the NAV is going to be valued on each Valuation Date and calculated on the next following banking day in Luxembourg. Shares of the Sub-Fund may be redeemed on demand before 3 p.m. at least two Business Days preceding the relevant Valuation Day.
- **Management Discretion:** The Management Company has the discretion to buy and sell investments on behalf of the Sub-Fund, in accordance with the objective and investment policy and subject to the supervision of the Board of Directors. The Management company has appointed the Investment Advisor to issue recommendations to buy, sell or hold a particular security for the Sub-Fund. The Investment Advisor remains subject to the control, supervision, direction and instruction of the Management Company.
- **Distribution Policy:** This Share Class will reinvest income - Capitalisation Share Class.
- **Minimum recommended holding term:** The Sub-Fund may not be appropriate for investors who plan to withdraw their money within three years.

For an explanation of some of the terms used in this document, please refer to the “Glossary” section of the Prospectus.

RISK AND REWARD PROFILE

The above rating is an estimate of the volatility of the Net Asset Value of the Shares and may not be a reliable indication of the future risk profile of the Shares.

The risk and reward category shown above is not guaranteed to remain unchanged and may change over time.

Even the lowest category “1” does not mean a risk-free investment.

The Sub-Fund is classified in category 4 because its Net Asset Value will fluctuate due to the volatility of the equity markets and of the underlying funds.

The following other risks can be significant to the Sub-Fund:

- **Equity risk:** The Sub-Fund may invest in equity and equity-related securities, whose values can fluctuate daily.
- **Debt securities:** The Sub-Fund may invest in securities such as bonds which may be affected by credit quality considerations and changes to prevailing interest rates.

- **Derivatives risk:** the Sub-Fund may invest in derivative securities such as futures, options and forward contracts, which involve the risk that potential investment returns which the Sub-Fund would not be received and risks of a type, level or nature to which the Sub-Fund would not be subject to, in the absence of using these instruments.
- **Structured products:** the Sub-Fund may invest in structured products and be exposed not only to movements in the value of the underlying asset including but not limited to currency (or basket of currencies), equity, bond, commodity index or any other eligible index, but also to the risk that the issuer of the structured product defaults or becomes bankrupt.
- **Forward contracts:** the Sub-Fund may enter into forward contracts which are not traded on exchanges and are generally not regulated. There are no limitations on a daily price movement of forward contracts.
- **Movements in currency exchange rates** can adversely affect the return of your investment.
- **More details on the risks** you may face when investing in this Sub-Fund are described in the “Risk Factors”, “Risk Management Process” and “Sub-Funds Details” sections of the Prospectus.
