Alter Domus Jersey Approved as TISE Listing Member

Alter Domus (Jersey) Listing Services Limited was approved as a Category 1 & 2 Listing Member of The International Stock Exchange (TISE) at the end of 2018. This approval means we are now able to arrange and sponsor the listing of debt securities and investment securities on TISE.

These services will be offered from our office in Jersey to existing clients and in conjunction with other services that we already provide. Becoming a listing agent on TISE complements the existing services that we provide our clients. The team in Jersey has experience of working on TISE-listed securities and so it is a natural extension for us to provide this service as part of our integrated offering. It also reflects the strong client demand for TISE listings.

TISE offers a regulated marketplace, with globally recognisable clients and a growing product range. Located within the European time zone but outside the EU, it offers a convenient and cost-effective service for listing a wide range of products
