

ALTER DOMUS MALTA

Maritime specialists in the heart of the Mediterranean

Thanks to its geographic location and broad talent pool, Malta has become an international maritime hub. Home to professionals in fields such as engineering, legal, accounting and corporate services, Malta has well-established infrastructure and regulations that further add to its appeal.

For over a decade, Alter Domus Malta has been administering maritime structures—including shipping and yachting—and helping our clients take advantage of the country's tax and regulatory benefits. As the Group's centre of excellence in shipping and yachting, Alter Domus Malta has the ability to service entities that are domiciled virtually anywhere in the world, including:

- Consolidated group structures which include subsidiaries focused in the maritime area
- Standalone shipping structures and support to their administrative/management structures
- Super yacht lease structures
