

INNOVATION & TECHNOLOGY

CorPro web portal

At Alter Domus, we believe in the power of technology to turn complexity into an advantage. CorPro is the secure web portal developed by our technology and accounting professionals and is the preeminent ecosystem for alternative investment managers and their investors.

CorPro allows investment managers to access fund and asset-level financial data and distribute all communications and reporting to their investors through a secure, customizable application.

DOCUMENT CENTER

Simplify your global coordination with relevant parties in the sensitive process of publishing and sharing documents.

MARKETING DATA ROOM

Share marketing and due diligence materials with prospective investors in a virtual data room.

WORKFLOWS

Track operational workflows on various workstreams in an interactive tool.

DASHBOARD

Access accounting data at the portfolio, fund and investor level with customizable reports, charts and graphs available for export.

DATA EXCHANGE

Upload, translate, and manage financial data in multiple file formats from external data providers.

INVESTOR ONBOARDING

Onboard investors digitally with an online investor questionnaire form and integration to DocuSign.

REPORTPRO

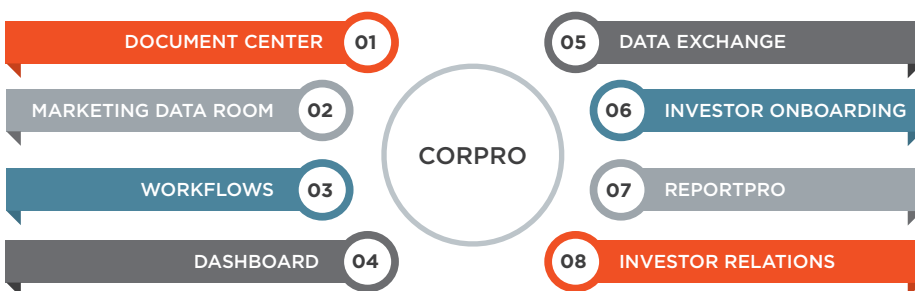

Generate, review, and approve financial and investor reporting with ease in a reporting application with built-in workflows, version comparison and commenting tools.

INVESTOR RELATIONS

View the investor registry and monitor investor static data changes, communications and documents uploaded to the investor portal in real time.
