

Alter Domus Belgium Moves Into New Offices From 16th August 2019

LUXEMBOURG, Luxembourg - Aug. 1, 2019 - [PRLog](#) -- [Alter Domus](#), a fully integrated Fund and Corporate Services provider is pleased to announce that following the continued expansion of our global service offering and of our local business network, [Alter Domus Belgium](#) will relocate to larger premises as of 16th August, 2019.

Located in the Glaverbel building, an iconic architectural structure well known in Brussels, this new facility offers larger and more functional spaces, parking for clients and extremely easy access. This new address is located a stone's throw from the E411 motorway, which links the Belgian offices to those of the parent company in Luxembourg.

The office in Brussels opened in 2010 as a means to assist our clients with the complexities surrounding corporate structures. It has grown into a one-stop-shop of sorts, offering our clients assistance in setting up companies, structuring financial plans, as well as providing accountancy, tax and legal assistance. Our close connections with our partners such as payroll companies, notaries, banks and dedicated legal advisors also help to bring our services full circle for our clients.

The local team takes a boutique approach to client work, displaying high levels of flexibility and pragmatism. Clients tell us that their established personal relationships and fast, direct responses from the team are things they value most about our partnership. Our attentive approach to client engagement ensures we always operate as a team, while working in partnership with our clients to solve all of their unique and individual needs.

The Belgian team specialise in Domiciliation and Legal Assistance, Corporate Treasury Management, Accounting, Payroll Supervision, Tax Compliance, Entity Setup, Payroll Setup, Outsourcing and Liquidation services.

The new postal address for **Alter Domus Belgium** is:
