

DCM SOLUTIONS

Agency Services

Alter Domus' agency services platform is the perfect complement for your lending business. Our state-of-the-art systems that administer and report on middle market and broadly syndicated leveraged loans for both buy- and sell-side institutions.

Our DCM Solutions provide a full-service, all-inclusive administrative process that, combined with our CorPro web reporting technology, forms the ideal platform for your lending and syndication activities. Alter Domus is SSAE 18 SOC I Type II Certified and our agency services are provided on a named or white label basis.

Deal types include:

- Broadly Syndicated & Middle Market
- Club Deals & Bi-lateral
- Commercial & Industrial Loans
- Project Finance
- New Origination & Refinancing
- Successor Agent
- Term / Delayed Draw / Revolver
- DIP / Restructuring

Alter Domus' team understands the needs of its lending partners. Our processes are well controlled and performed in a timely manner. Our investor reporting is best-in-class and supported by an in-house team of developers.

Functions include:

- Document review and onboarding
- Primary closing, receipt of funds, deal closing
- Borrower / Lender communication
- Agency notices: rate resets, margin changes, loan activity, etc.
- Registrar of secondary loan trades
- Oversight of covenant compliance, required reports, financials, certificates, etc.
- Amendment support and voting
