

ALTER DOMUS ITALY

Corporate Services for the Alternative Investment Industry

As a leading global fund and corporate services provider headquartered in Luxembourg, Alter Domus provides integrated solutions to some of the world's largest real estate firms, private equity houses, and private debt managers.

Through our office in Milan, we provide our partners seeking investment opportunities in Italy with deep local sector expertise and tailor-made services across a range of different asset classes.

WHY INVEST IN ITALY?

Italy is the Eurozone's 3rd largest economy over \$2 trillion in GDP and is the 9th largest economy in the world by nominal GDP.

Ambitious plans by the Italian Government and EU to further develop the country, offering ample investment opportunities in real estate, infrastructure, technology, and renewable energy.

Investing in Italy means access to the country's leading fashion, design, food, and robotics sectors. Brands "Made in Italy" are internationally praised due to their quality, authenticity, and style.

Italy's geographic location in the Mediterranean presents excellent opportunities for investors seeking access to European, African, and Middle Eastern markets.

OUR VALUE PROPOSITION

One-stop-shop for client needs in the country, from setting up diverse types of entities to their ongoing management.

Skilled local team based in Milan, Italy's financial center, with the on-the-ground knowledge to service local entities and ensure vertical integration across all types of structures and jurisdictions.

Global presence, experts, and tech-platform combine to support domestic clients interested in scaling their businesses in existing and new markets.

Partnerships with an array of leading professional firms familiar with all types of asset classes in the Italian market.
